Epe, Lagos State | +234 913 459 7090 | dymtoheeb@gmail.com | Behance: be.net/dypixels | X: @dypixels

PROFILE

Graphic designer specializing in brand identity, campaign design, and concept-driven advertising. Experienced in building full visual systems, from logo and identity through social, marketing, and campaign assets, with a strong focus on consistency and premium execution across touchpoints. Works fluidly with AI-assisted tools alongside traditional design software to accelerate concept development and production.

CORE SKILLS

Brand Identity & Visual Systems · Campaign & Concept Design · Logo Design · Advertising & Art Direction · Social Media Design · Typography & Layout · Packaging Presentation · AI Workflow Integration

RECOGNITION

- Winner, Deestinct Halloween Rebrand Challenge — community design competition inviting participants to reimagine an existing brand for Halloween; selected and reimaged Levi's, developing a full seasonal campaign that preserved brand equity while adapting the identity (2025)
